**Pfefferbräu**  
BERGBRAUEREI & SCHANKHALLE

Our brewer Thorsten Schoppe sticks by this motto from the beginning. He brews his beer in small batches, by hand and with the highest quality-ingredients. He doesn't filter and he doesn't heat-treat, ensuring his beverage is the freshest and hardest you can find. Thorsten pursues brewing methods off the beaten track alongside traditional ones. Today, what's come to be known as CRAFT BEER is often associated with slick jargon, but Thorsten is first and foremost a brewer. Simply so and proud of it!
